

My Chiropractic Story

Dear patient and friend: Thank you for taking 2 or 3 minutes to share your success with chiropractic care! Sharing your story will be a great source of encouragement to many others. It is a wonderful way of giving back so others can also be helped!

1. What health complaints brought you into our office and how “bad” were they?

2. How long have you been under care?

3. What changes have you noticed in your life?

4. How do you see yourself benefiting from chiropractic care for the rest of your lifetime?

5. What do you like best about chiropractic care? ...and our office?

I give Intrinsic Chiropractic Center permission to use all or any part of my chiropractic story with or without my name in the interest of telling others about the benefits of chiropractic.
